Memorandum of Understanding (MoU)

Between

ECO-ROX

And

New Education Society's

Arts, Commerce & Science College, Lanja.

Dist – Ratnagiri- 416701

ECO-ROX is a registered NGO working towards the Conservation, Preservation and Restoration of Environment. Our main focus is on Solid Waste Management. Our aim is to educate students to maintain Clean and Green Environment.

This MoU is made on 29th October 2018 between ECO-ROX and New Education Society's Arts, Commerce & Science College, Lanja, Dist-Ratnagiri, for the period of One Year.

Roles and Responsibilities of ECO-ROX :-

1. Create awareness on need for scientific method of waste management amongst students about the use of waste as resource and its relationship with climate change and global warming (Promote knowledge and provide training for segregation of waste at source and composting among students, faculty and non-teaching staff.)

2. Encourage and Promote Recycling of Waste.

3. Under the guidance of ECO-ROX, College will initiate :

    a. Minimum two E-waste Collection Drives.

    b. Implementation of Composting Project in the Campus.

    c. Plant and nurture trees within and around the campus.

Roles and responsibilities of College :-

1. The College will make arrangements for awareness lectures on solid waste management.

2. The college will constitute a committee of staff and students to conduct and monitor eco-friendly initiatives throughout the year.

3. The college will conduct presentations, workshops and competitions on various environmental issues.

4. College will involve maximum students in cleanliness drive within and around the campus.

5. The college will submit report at the end of the year about the environment related activities conducted by the institution.
